Winter Lovers, Your Perfect Trail Awaits

Trails Are Open for Hiking, Snowshoeing, and Cross-Country Skiing

Wethersfield offers 20 miles of trails, including 8 miles of marked paths and 12 miles of unmarked trails, making it the perfect winter escape. Snow conditions permitting, please remember to bring your own skis or snowshoes.

Our trails are a haven for winter wildlife, offering the chance to spot winter birds and animal tracks in the snow. Bundle up and immerse yourself in the serene beauty of nature during its quietest season.
