

## This Weekend Wethersfield Reopens

Dear Friends,

Thank you for your continued support and patience as we recover from the severe storm that impacted Wethersfield on June 19. Cleanup efforts have been extensive, and we are deeply grateful for the tireless work of our crews and the outpouring of support from our community.

**Garden:** We are pleased to share that the Wethersfield Garden will reopen this weekend, beginning Friday, July 4 at 10 AM.

**Trails:** The Red Trail will open Friday, July 4, and the Blue Trail will open Saturday, July 5. While passable, you proceed at your own risk. Our trails are not fully groomed, so please use caution, follow all posted signs, and respect the closures. Portions of the trail system with more extensive damage will remain closed as restoration continues.

**House Tours:** House tours scheduled for Saturday will take place as planned, and spots are still available. If you would like to join, you can [sign up here](#).

As always, visitors must have a membership or a day pass and must sign a waiver.

The cost of engaging professional recovery teams for several weeks has placed an unexpected financial strain on Wethersfield. If you feel moved to contribute to our cleanup and restoration efforts, your support—of any amount—will make a meaningful impact and is deeply appreciated.

Thank you again for your understanding and generosity. We look forward to welcoming you back to Wethersfield.

Kind Regards,

Hillary Henderson  
Chief Operating Officer
